AUTOMATIC ENROLLMENT

The eligible automatic contribution arrangement (EACA) provisions apply to the Plan. This type of automatic enrollment allows the Plan Administrator to enroll certain employees in the Plan who have not previously elected to participate in the Plan.

Do the Plan's automatic enrollment features apply to me if I have already made a deferral election?

No, if you have already made a deferral election that amount will continue to be withheld from each of your paychecks until you make a new election.

What happens if I do not make a deferral election by 1/15/2023?

If you are eligible to make elective deferrals and you do not make a deferral election by 1/15/2023, the Plan Administrator will begin deducting automatic deferrals from each of your paychecks and will submit those amounts to the Plan (automatic deferrals) on your behalf. An automatic deferral amount of 1% of your compensation will be withheld from each of your paychecks. The automatic deferral amount will be contributed as a pre-tax elective deferral to the Plan.

If you do not wish to have automatic deferrals withheld from each of your paychecks or if you want to change the amount withheld, you must make a deferral election. If automatic deferrals have already started, you may make a deferral election to change the amount being withheld or to stop the deferrals entirely.

Will the amount of the automatic deferrals increase?

Yes, if you do not make a deferral election the initial automatic deferral amount of 1% will increase by 1%

on the first day of the second plan year following the plan year during which the initial automatic deferral became effective.

Subsequent deferral increases will occur on the first day of each plan year until reaching the maximum automatic deferral amount of 10%.

If automatic deferrals are withheld from my paycheck can I take that money out of the Plan right away?

Yes, you may request that your automatic deferrals and any earnings on those deferrals be distributed to you as long as you make the request in writing within 90 of when the automatic deferrals were first withheld from your paycheck. Any matching contributions associated with the automatic deferrals that you take from the Plan by the deadline will be forfeited. After that deadline has passed you will only be able to take the automatic deferrals out of the Plan when elective deferrals can be distributed.

ELECTIVE DEFERRALS

Your elective deferrals are amounts that you choose to (or are assumed to have chosen to) have withheld from your paycheck and contributed to the Plan in your name. Please see the section of your SPD titled "Eligibility" to determine if you are eligible to make elective deferrals and "Compensation" for the definition of compensation you may defer into the Plan.

How do I make or change my deferral election?

You may make or change your deferral election by going to the following web site or calling the voice response unit at the following number: Elective deferrals can be made on-line at www.principal.com, or by contacting Principal's Customer Service Center at 1-800-547-7754.

Once I make a deferral election, how often can I change, stop, or re-start the election?

You may change or re-start your deferral election once a quarter. You may stop your deferrals at any time.

If I make a deferral election is the amount withheld from my paychecks taxed?

You will have the option to decide if the amount you elect to defer into the Plan is taxed or not. If you choose to have your elective deferrals go into the Plan as pre-tax elective deferrals, you will not be taxed until you take the money out of the Plan. If you choose to have your elective deferrals go into the Plan as Roth elective deferrals, you will be taxed on that money when it is taken out of your paycheck, but it will not be taxed again when you take it out of the Plan. The earnings on those Roth elective deferrals may be taken out tax-free if certain conditions are met. Please see the SPD for more information on Roth elective deferrals.

Are there any limits to how much I can defer into the Plan?

Your elective deferrals are subject to the following limits:

- Your total amount of deferrals cannot be more than \$22,500 (for 2023).
- If you are age 50 or over, you may defer an additional amount, called a "catch-up contribution," of up to \$7,500 (for 2023).

The Plan Administrator may establish additional rules you will need to follow when making your deferral election. Your deferral election is only effective for compensation you have not received yet. The Plan Administrator may also reduce or totally suspend your election if they determine that your election may cause the Plan to fail to satisfy any of the requirements of the Internal Revenue Code.

PLAN INVESTMENTS

Can I direct how my account balances will be invested?

Yes, you can direct how your entire account balance will be invested from among the different investments offered under the Plan.

You may make or change your investment elections by going to the following web site or calling the voice response unit at the following number: Investment elections can be made on-line at www.principal.com, or by contacting Principal's Customer Service Center at 1-800-547-7754.

How often can I change my investment election?

How will my account balances be invested if I do not make an investment election?

The Plan's default investments are intended to meet the requirements to be a qualified default investment alternative (QDIA).
